

As part of your application for admission to National University of Health Sciences, you must provide three essays. These may be submitted separately or with your application.

Essays should be 400-500 words in length, and well-written with appropriate use of grammar and spelling. Please be concise and make every sentence count.

Please answer **each of the following two questions**.

1. *How and why did you develop an interest in the specific program to which you are applying (DC, ND, MSAc, MSOM)?*
2. *Why did you choose NUHS to pursue your program of study?*

In addition, please answer **one of the following** supplemental essay questions. In this essay, please provide new information not discussed in the first two required questions.

1. *What are your goals as a medical professional and what will you contribute to the profession?*
2. *What is the role of complementary and alternative medicine in healthcare today and how do you see this evolving in the future?*
3. *What specific skills do you possess that will allow you to be successful in your chosen profession?*
