Topics in Clinical Chiropractic (1999-2002 only)

Monographs

Books in this library are classified using the National Library of Medicine classification system. Books on **Chiropractic** (generally **WB 905**) might be found in all of our book collections but especially in the general circulating collection, in the reserve collection (textbooks recommended and/or required by instructor) and in our Special Collections area (classic titles; in-library use only). Other subject areas of interest might include: **Mechanotherapy** (**WB 535**) and **Osteopathy** (**WB 940**).

Books on **Therapeutics (WB)** are usually found in the following areas of the collections:

WB 113 (Integrative Medicine)
WB 460 (Physical Medicine. Physical Therapy)
WB 535 (Musculoskeletal Manipulations)
WB 541 (Exercise Therapy)

Books on **Musculoskeletal System (WE)** are usually found in the following areas of the collections:

WE 300 (Joints)
WE 500 (Muscles)
WE 510 (Trigger Points)
WE 708 (Neck)
WE 720 (Back)
WE 725 (Spine)
WE 735 (Curvatures)
WE 740 (Intervertebral Disks)
WE 750 (Lumbosacral Region)
WE 755 (Low Back Pain. Sciatica)

Books on **Pain** are usually found in the following areas of the collections:

WE 725 (Whiplash Injuries)
WL 342 (Headache)
WL 344 (Migraine and other vascular headaches)
WL 704 (Pain)

Please remember that although there are specific areas where most books on a subject will be located, some books will be located in other subject areas. Here are some examples:

- Information on **sports medicine** might be located in **QT 260** and **QT 261**.
- Books on **mental healing (WB 880)** and on **special systems of therapeutics (WB 890)**; this is often used for complementary medicine as a broad category) will be found with other practice of medicine books.
- **Practice of Medicine (WB)** might contain some **chiropractic**, including **Encyclopedias (WB 13)**, **Outlines (WB 18)**, **Handbooks (WB 39)** and **Atlases (WB 17)**. Also consider specific aspects, such as palpatory **diagnosis (WB 275)** or **diet therapy (WB 400)**.
- Books on the history of chiropractic will be found with other **History of Medicine** books (specifically **general works in WZ 40**, **individual biographies in WZ 100** and **folklore might be found in WZ 309**).

You might wish to use the library's online catalog to locate other specialized subject areas.

One final note: books on **basic sciences** aspects are found in subject areas represented by the letter **Q** (e.g., **Physiology**, **Biochemistry** and **Pharmacology** in the listings above), while books on **clinical sciences** aspects are located in subject areas represented by the letter **W** (e.g., **Practice of Medicine** in the listings above).
