

# Surveillance: Articles of Interest

## A Current Review of Journal Literature from the NUHS Library July 2008, Volume 3, Issue 7

This listing is intended to keep you aware of journal articles which might be relevant to your education and practice. Each month we will use PubMed and A-to-Z searches to browse our print and electronic journals for practical articles and significant research studies. Hyperlinks to the full text will be provided when available but might not be accessible from off-campus IP addresses and some hyperlinks might not be permanent. *If you encounter problems, please refer to the passwords list or contact the Reference Librarian for assistance.*
