New Student Orientation

Join us for New Student Orientation and meet with key representatives, including:

- Financial Aid and Student Accounts
- Student Services
- Your Advisors, the Dean and Chair
- Current and incoming students

You'll learn strategies and tips to ensure a successful start and continued success as an NUHS student. Here are some things you can expect to learn or gain from:

- Degree completion requirements
- Financial aid and scholarship opportunities
- Campus clubs and organizations
- Registration overview
- Online resources overview
- Meet other incoming students and make new friends
- Student Services Resources

We encourage you to explore the variety of excellent resources presented in the New Student Orientation material on CygNET! This self-paced session is full of tips and tools to help you navigate your NUHS journey. As you go through the orientation material, pay close attention to forms that need to be completed beforehand. Your completion of these forms is greatly appreciated! Access instructions are listed below.
